What Did We Learn This Year?

Top 5 Insights from 2023

01

Businessmen generate the highest revenue of all customer groups

02

Customers aged 40–50 are our most valuable segment

03

High-income customers dominate our base — 30M out of 57M total

04

Revenue was consistent all year — no major drops across all 53 weeks

05

Our business is geographically balanced across top US cities

2023 gave us clear direction — we know exactly who our best customers are.

Our 3 Recommendations for 2024

1

Target Businessmen & 40–50 Age Group

Design special credit card offers and loyalty rewards for our top-earning segments

2

Grow High-Income Customer Base

Create premium card products that appeal to high-income, educated customers to increase interest revenue

3

Study Low-Revenue Periods

Look closely at weeks where revenue dipped and create seasonal promotions to boost those weeks in 2024

Thank you for your time. I look forward to your feedback and questions.

We enter 2024 with strong data, clear insights, and a focused plan.
